

We have a lot to offer in New England and we hope you have set aside time to enjoy the area while you are here for the 2014 World Championship. We are a close drive to the seashores of Cape Cod, Newport - Rhode Island and the quaint artist town of Rockport north of Boston but you don't want to miss the colors since leaf peeping will be in season with an hour drive into New Hampshire or out west to the Berkshires. Please check your computers search engine to check for current events and directions. Check out visitnewengland.org & discovernewengland.org

LODGING:
